Important Bearing.

Except for the fact that the rall-roads voluntarily agreed to compromise in North Carolina on a basis of 2 1-2-cent rate, which becomes effective on interstate travel on April 1st, the transportation companies could continue to charge 3.1-4 cents. In other words, they could have still been master of the situation except for their willingness to meet the State half way. Except for the more rabid and rampant politicians and newspapers, the sentiment in North Carolina was that the United States Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and that the State Supreme Court would not sustain Judge Pritchard and the Profession of the State Supreme Court would not sustain Judge Pritchard and the Profession of the State Supreme Court would not susta

### **Excessive Drinking**

Orrine Destroys the Craving for Drink---Sold Under Positive Guarantee.

Excessive or continued use of alcoholic beverages always results in a diseased condition of the nervous system. The drinking man is often heard to say, "I can stop of my own free will and when I wish," but the poor fellow and when I wish," but the poor fellow is now devoid of the power to act at the proper time and in the right way, it's too late, the craving has secured a firm hold and because of the diseased nervous system he has not the ability for sustained effort. The result we all know.

Drunkennes is no longer considered a crime; eminent scientists and physicians have agreed that it is a disease and must be treated as such. The home treatment that has been used for a number of years, and is highly successful, is Orrine. It is sold under a positive guarantee that if it does not effect a cure your money will be refunded.

RESOLUTIONS OF RESPECT

Whereas, Almighty God in His in-nite wisdom has again seen fit to move from our midst another of our loved and esteemed officers; there-

much of his valuable time and talent. He possessed a combination of good qualities rarely found, in that though retiring in disposition, he was always ready to do his part for the promotion of the public weal. We knew him well and long, and we shall remember him as a bright example of Christian manhood.

Second. That in his death we, his friends and associates, have suffered a distinct loss. friends and associates, have suffered a distinct loss.

Third. That we extend our deepest sympathy to his family in their great bereavement.

Fourth. That these resolutions be spread upon our minutes and a copy be sent to his family and published in the daily press.
